[An adaptive algorithm for learning changes in user interests](#)[\[PDF\] from psu.edu](#)

DH Widjantoro, TR Joerger... - Proceedings of the eighth ..., 1999 - portal.acm.org

... Therefore, the capability to adapt to these **changes** effectively and to handle exceptions to categories is still ... Based on TF-IDF, the **keyword importance** is proportional to the frequency of occurrence of each term ... The **weight** of **keyword** i in a document d is then defined as follows: ...

[Cited by 120](#) - [Related articles](#) - [All 22 versions](#)[Neural nets based predictive prefetching to tolerate WWW latency](#)[\[PDF\] from csu.edu](#)

T Ibrahim... - Distributed Computing Systems, 2000. ..., 2000 - ieexplore.ieee.org

... However, the same word may be of less **importance** to the same user if it occurs in general or ... The **keyword** should be sensitive to any readers of market or financial news during the period ... learning property of a neural network, the **weight** of the key can be adapted to the **change**. ...

[Cited by 43](#) - [Related articles](#) - [BL Direct](#) - [All 10 versions](#)[Successful weight loss maintenance](#)[\[PDF\] from siu.edu](#)

RR Wing... - Annual Review of Nutrition, 2001 - annualreviews.org

... Regainers were also characterized by several key behavior **changes** that occurred **over** the year of follow-up and distinguished them from maintainers. ... These findings confirm the **importance** of the behavior **changes** described in earlier sections of this chapter for the long ...

[Cited by 580](#) - [Related articles](#) - [BL Direct](#) - [All 5 versions](#)[\[PDF\] Improving ontology-based user profiles](#)[\[PDF\] from psu.edu](#)

J Trajkova... - Proceedings of RIAO, 2004 - Citeseer

... The Web pages are represented as **keyword** vectors and we use the vector space model ... One goal of rank-ordering the concepts by **importance** was to use this information in ... that after approximately 70 Web pages have been classified, all subjects' profiles exhibit little **change**. ...

[Cited by 123](#) - [Related articles](#) - [view as HTML](#) - [Library Search](#) - [All 10 versions](#)[A keyword-based semantic prefetching approach in Internet news services](#)[\[PDF\] from psu.edu](#)

CZ Xu... - Knowledge and Data Engineering, IEEE ..., 2004 - ieexplore.ieee.org

... However, the same word may be of less **importance** to the same client if it occurs in general or world ... Finally, we note that the significance of a **keyword** to a client **changes** with **time**. ... The **keyword** should be sensitive to any readers of market or financial news during the period. ...

[Cited by 19](#) - [Related articles](#) - [BL Direct](#) - [All 14 versions](#)[Social information filtering: algorithms for automating "word of mouth"](#)[\[PDF\] from psu.edu](#)

U Sharanand... - Proceedings of the SIGCHI conference on ..., 1995 - portal.acm.org

... The common and obvious approach used to tackle the problem of information filtering is content-based filtering[1]. **Keyword**-based filtering and patent semantic indexing [2] are ... One **important** difference is that these systems use a data set that does not **change over time**. ...

[Cited by 2178](#) - [Related articles](#) - [BL Direct](#) - [All 44 versions](#)[Dairy calcium is related to changes in body composition during a two-year exercise intervention in young women](#)[\[HTML\] from jasn.org](#)

YC Lin, RM Lyle, LD McCabe... - Journal of the ..., 2000 - Am Coll Nutrition

... Search for **Keyword**: GO. Advanced Search. ... fat are due to dairy calcium, there are several reasons total calcium, including non-dairy calcium, may also be **important**. ... The proposed mechanism for the effect of calcium intake on **changes** in **weight** and fat mass would support that ...

[Cited by 128](#) - [Related articles](#) - [BL Direct](#) - [All 5 versions](#)[Construction of a dynamic thesaurus and its use for associated information retrieval](#)

H Kimoto... - Proceedings of the 13th annual international ..., 1989 - portal.acm.org

... I A B C **Changes** in the Dynamic Thesaurus LL- New Co-occurrence Links Fig. 5 Generation of Links ... the **importance**; the closer the value of the **keyword** is to one, the more **important** the **keyword** is ranked. ... The AIRS procedure for associated **keyword** generation is as follows: ...

[Cited by 25](#) - [Related articles](#) - [All 2 versions](#)[Dual time point 18F-FDG PET for the evaluation of pulmonary nodules](#)[\[HTML\] from snmjournals.org](#)

A Matthes, M Hickeson, A Cuchiaro... - Journal of Nuclear ..., 2002 - Soc Nuclear Med

... SUV increase of 12% between the first and second scan, whereas inflammatory lesions and structures with physiologic uptake of 18 F-FDG (tongue, larynx) showed essentially stable uptake **over time** or a slight ... Another **important** finding was that the SUV **changes** in tumors ...

[Cited by 240](#) - [Related articles](#) - [BL Direct](#) - [All 4 versions](#)[TV3P: an adaptive assistant for personalized TV](#)[\[PDF\] from kyoto-u.ac.jp](#)

Z Yu... - Consumer Electronics, IEEE Transactions on, 2004 - ieexplore.ieee.org

... I W _ and E W _ are weighting factors reflecting the relative **importance** of implicit profiling ... 4. How the profiling agent **changes** a profile according to user implicit feedback and explicit feedback. ... If user is interested in some **keyword** that it does not appear in existed list, user can ...
